FRANCIS LARGE MIRROR

60 cm /23,6 inches

DESIGNER: CONSTANCE GUISSET

YEAR: 2011

2 YEARS WARRANTY

MATERIAL: MIRROR, STEEL, MATTE GRAINED POWDER COATING

The Francis collection offers poetic mirrors and coffee tables designed by Constance Guisset. Inspired by the fluid movement of watercolour pigments, the collection presents a range of expressive pieces that bring a distinctive artistic touch to interior spaces.
Francis blurs the line between object and illusion, inviting the viewer into a dreamscape where ancient echoes meet surreal reverie.

Meticulously crafted in France, the collection combines artistry and technical precision. Mirror backs are made of aluminium with a matte grained powder coating, while table legs are crafted from powder-coated steel for superior durability.
The collection features 3 mirror sizes in 3 different colours (pink & black, blue & black, green & white) and 3 coffee table models in 2 different colours (Blue & black, green & white).
